Volunteer Coordinator – Kate Hogg

Kate attended the recent meeting for volunteers held by the district to keep us up to date on what is going on. The primary focus of this meeting was about the scanning of volunteers upon entry of the school. They are still working on/testing at the elementary school level and are slightly behind schedule. It will be two years before it gets to the high schools. You’ll buzz to get in and then scan your driver’s license/ID at the secretary’s desk. The scan does a background check and will be a great innovation toward keeping our children in a safe environment.
