Counselor Update, April 2018

There is still time to register for the June 9th ACT test. Regular registration for the test ends May 9th.

We nominated 29 students for the National Council on Youth Leadership, applications are due in the Counseling Office today.

Each year we are asked to nominate current sophomores to participate in the Youth for Five Seasons Leadership program. We can nominate just five students this year, and they must be strong enough students that they can be gone from school once a month through January. Announcements were made, along with an e-mail and phone message that went out to the homes of all sophomores. We will have already had an informational meeting and have handed out applications. If students missed the meeting, but are interested in applying, they can pick up an application in the Counseling Office. Application materials must be turned in to the Counseling Office no later than Friday, April 20th.

AP tests will be given from May 7 through May 18. Be sure your students are at the correct site and on time, as students can not be allowed to enter the testing after directions are initiated. Students with tests in the morning and afternoon of the same day will need a brown bag lunch.

Senior Recognition Night is scheduled for Monday, April 30th at 6:30 PM. We have so many wonderful kids and there is nothing better than recognizing their accomplishments.

Final transcript request forms will be handed out to seniors within the next several weeks. Students should send a final transcript to the college that they have decided to attend. There is no charge for the final transcript.

We are just about done with the Iowa Assessments. We still have a few students who were absent on the days of the test and need to make them up.

There are still scholarships being received by the Counseling Office, seniors should remember to keep checking the scholarship page on the Counseling website.

The scheduling process is still ongoing, students should not expect to see their schedule until July.
