Committee Reports:

Reflections – **Teresa Wake** reported that WHS had three students place; senior Jamie Panosh placed 2nd in Literature, senior Elizabeth Bordwell placed 3rd in Visual Arts, and freshman Ethan Dix placed 1st in Music Composition. A first place finish means that Ethan will advance to the national competition.

Legislative – **Lori Lane** drew our attention to the recent editorial by James Larew that laid out the implications the overthrow of the collective bargaining agreement would have on our teachers. She also reminded us of the next legislative forum scheduled for 10am on 3/18 and commented that the last forum was well attended and got media attention.

Warrior Pantry - **Jenny Woods** reported that two teachers and the school driver will be delivering 33 boxes prior to spring break starting. Another small bag will go out the last week of March. She also extended appreciation for the 3-4 freshman that pack and move boxes.

Warrior Closet - If you have any new or gently used hoodie sweatshirts, belts, and/or backpacks to donate, they would be greatly appreciated! And it is prom season - if you have formal attire appropriate for prom (formal dresses, shoes, suits, ties, bowties, dress shirts) please consider donating them to the Warrior Closet.
