Cedar Rapids, Iowa 52403*

Guidelines/Expectations for Baseball/Softball Spectators

- Only 3 family members per athlete are allowed admittance at all home and away games. It is the players responsibility to let coaches know the names of the family members for each game. The pass list will be submitted, home and away, and names must be on the pass list to be admitted. For home games and some away games, spectators will be provided a wristband.
- Admission at home games: Booster passes are accepted. \$5 for everyone else, exact change is preferred. Admission at away games will vary – some will be free, some will be free will donation, some will be \$5.
- Spectators should take their temperature before attending games and may not attend if they have a temperature of 100.4 or higher. Anyone with symptoms of COVID19 should also not attend games.
- No concessions will be available. Spectators may bring one cooler for food and drink. Coolers may not be shared between family groups and/or athletes from different family groups.
- Restrooms will be available. Please limit the number of people in the restrooms to 1 if possible.
- Spectators are encouraged to bring their own sanitizer.
- Spectators are encouraged to bring their own seating. There are a few spaces around the bleachers and even some outside the outfield fence. Very limited bleacher seating will be available, and it will be marked with an 'X'. Fans should practice social distancing between different households and accept personal responsibility for public health guidelines.
- Households are reminded to only bring family members who will be able to sit in their area and watch the game or otherwise remain occupied during attendance. Spectators will not be allowed to be wandering around the facility during the game.
- Spectators at CRCSD facilities will be required to wear a mask while entering the facility until they get to their seating area and while making trips to the restroom. Masks are not required while in your seating area.

We ask that everyone do their part to ensure we maintain a consistent and elevated level of seriousness and prevention by supporting all guidelines and procedures. Spectators not wishing to abide by guidelines we ask that you please stay home. We are in the planning stages of showing the games via livestream.
